

**To Win Honorably,
To Lose Gracefully,
To Cooperate Generously**

John Burroughs Middle School promotes the importance of high academic standards, and our students always put forth their best efforts in all endeavors. Through the work of our dedicated staff of professionals, our students are guided toward the future focusing on education, career opportunities, and skills needed in the 21st century.

John Burroughs students:

Think College.
Think Careers.
Think Global Economy.
